MOST ANNOYING HABIT: My family would say that I can't watch a whole movie...I fall asleep. The better the movie, the quicker I'm gone!

CURRENTLY READING: Rich Dad, Poor Dad (Robert Kiyasaki), Knowledge of the Holy...again (A. W. Tozer), The History of Jesus: In the time of the Jews and Lord, Teach Me to Pray (Kay Arthur)

WHAT WOULD PEOPLE BE SURPRISED TO KNOW: I know many artists are like this, but...I have SUCH a hard time playing music for the people closest to me. I would rather play for a huge crowd of strangers than for those who know me best and support me the most...I don't know why!!! Grrrr.

WHAT ARE YOUR GOALS FOR THE FUTURE? Before anything else, I want to be a better worshipper. Not in song, but in daily life and all it entails. I believe that the other goals flow from that. I long for my territory to expand and have the privilege of ministering restoration to people who would not necessarily walk into a church. I want to be more compassionate and supportive as a mom, wife, friend etc. The older I get, the more I realize that my goals pale in comparison to the plans HE has for me...I just want to be there, with Him.
